Outward No. DMCS 1341-3

Date: 09/02/2022

To,
**The President
Software Export Association of India (SEAP),
Pune**

Subject: CSR Support Work: Support required for **Portable Fogging Machine** for prevention of dengue and other infectious disease for enhancing health and hygienic condition in Pune city.

As you are aware the world has been in pandemic mode for a year and a half. The Covid-19 pandemic has turned to be one of the most dangerous challenges this world has faced in our lifetime. It is above all a human crisis with severe health and socio-economic consequences.

While the world battles to wrestle with the impact of the COVID-19 pandemic, regions with endemic dengue fever are confronting the possibility of a double pandemic that could completely overpower health care services administrations. The healthcare framework is already overburdened with covid-19 and such a deadly duo (Dengue & Covid-19) has completely overwhelm hospital the emergency services in the city.

Every year Pune are witnessing an alarming outbreak of dengue during the monsoon season. Busy preparing for the ominous next wave of Covid, the administration, healthcare and management systems have been hard put to deal with the rising burden of dengue cases.

Hence, City administration is tirelessly working for the healthcare system of the city. PMC is taking several measures for prevention of water borne disease. But with deadly combination of COVID-19 and Dengue has been put pressure on the entire city healthcare.

Hence, with this letter PMC urge to support in providing **30 nos of Portable Fogging Machine** considering the City Health & Sanitation program under CSR. **The fogging of the affected and disease-prone areas and screening measures, along with the citizens' dedication to keeping the surroundings clean and dry, will be effective strategies to avert an epidemic.**

This will be a great support to the city to fight against pandemic.

With Best Regards,

Yours Sincerely,

(Rajendra Muthe)

Dy. Municipal Commissioner (Spl)
& CSR Coordinator
Pune Municipal Corporation
